

It's Math-tastic! It's Math-tacular!

It's Family Math Night at Queen of Angels!

This exciting event will be held on **Tuesday, January 31, from 7:00 – 8:00 p.m.** in various classrooms around the school. Let your child be your teacher, as parents are encouraged to attend to learn more about the dynamic **Everyday Mathematics** program used at Queen of Angels. The night will end with a fun math reader's theater performed by the talented Q of A faculty!

The evening will include two sessions. **Session 1 is from 7:00 -7:20, and Session 2 is from 7:25-7:45. Please RSVP by marking a "1" and a "2" to indicate what game you will play during each session.** No names are necessary, but it is important that you RSVP so we can be sure to have enough gaming supplies available in each classroom.

Early Childhood

Room 110 will host a variety of number games and shape exploration during both sessions. Join the fun!
